RE: **A.R.S. 15-232 Semiannual Report to the Arizona Legislature from
Adult Education Services: June 1, 2013 – December 1, 2013**

For the third consecutive year, the Arizona Adult Education System was ranked 4th nationally for educational gains, producing over two grade level increases for less than \$1,250 per student annually. The U.S. Department of Labor statistics show that adults who complete Adult Secondary Education and earn their high school diploma by passing the GED® Test earn \$8,000 more in taxable wages each year, which generates tax revenue at both the state and federal levels almost immediately. During FY 2013, over 14,540 Arizona adults earned their high school diploma by passing the GED® Test.

Of the 14,004 people who applied for instruction in Arizona Adult Education during the reporting period, 525 people (4% percent) were denied instruction because they failed to provide acceptable evidence of citizenship or legal residence in the United States.

At the time of enrollment, ALL students must provide documented proof of legal residency. To ensure compliance with Prop 300 amendments to ARS 15-232, ADE staff conduct on-site inspections of student enrollment records annually.

Note: DACA individuals are excluded from participation in ADE-funded adult education programs.

The following table provides current and historical state totals for the number of people who are waitlisted for classes in each AES service area, who applied for classes, and who were denied enrollment according to changes made to ARS 15-232 as part of Prop 300.
